

AHMAD LUTFI

A career analyst, Ahmad Lutfi has been an active member (and trained steward) of CAPE since joining Transport Canada in 2018. During this time, he has served as Secretary for Local #506 and was subsequently elected to serve as its President. Ahmad values employing diplomacy and communication as basis for his approach to engagement and collaboration.

Seeking to volunteer as a Director at the National Executive Committee (NEC) is Ahmad's way to contribute to furthering our community's interests and influence. He is passionate about meeting our members' needs with fair, effective and timely collective bargaining, representation, advocacy and training. Ahmad believes in equality, fairness and social justice.

Personally, Ahmad has travelled, lived and worked in 20 countries. He is a trained chef who loves gardening, kayaking, swimming and spending time with his spouse and two daughters.
