

Robert Kossick
Employment and Social Development Canada – Service Canada

Robert started his career with the federal public service in 2007 with the Employment Insurance program at ESDC. After moving into an EC role in 2009, Robert has been an active member of the Young Members Advisory Committee, the Collective Bargaining Committee, and the Collective Bargaining Team.

Living and working in the Western-Territories Region, Robert is a strong advocate for regional employees, and always attempts to bring this often-overlooked perspective to national decision making.

Robert is currently a board member of the Aurora Academic Charter School Board of Directors. He has developed leadership and governance experience in this position that he hopes to bring to CAPE to help guide the union's future.
