

Dear CAPE Members,

Allow me to introduce myself: My name is Nazia Shaikh, and I am running for the Director position for the National Executive Committee. I currently classify at an EC level and work for Royal Canadian Mounted Police.

As a member of CAPE and a qualified lawyer with the Law Society of Ontario, I am greatly interested in the opportunity to serve on the National Executive Committee to help better the future of the union so that it can serve its members to its fullest capabilities.

I am passionate about working alongside individuals who are committed to good governance, accountability, and transparency, and are strategic, progressive thinkers. I believe that the establishment of the union is for the greater good of its members. Throughout my professional life, I have had the opportunity to act as a trusted legal advisor both within the public and private sector – my experiences have granted me the opportunity to work internationally and within Canada, which I value deeply as it has aided me in building relationships with the people I have worked with and the community I have lived in. Learning from these experiences, I hope to bring a valuable contribution to the Committee in acting as a representative for the EC bargaining unit as a Director on the National Executive Committee for CAPE. Thank you for your time and consideration.
