- B 2.5 A special meeting of the National Executive Committee shall be called by the President at the request of any four (4) members of the National Executive Committee. Upon receipt of such request a meeting shall be scheduled as soon as possible.

**BY-LAW #3 - ELECTIONS AND RESOLUTIONS
(ADOPTED MARCH 26, 2021)**

B 3.1 ELECTIONS AND RESOLUTIONS COMMITTEE

- B 3.1. No later than the end of February of each year, the National Executive Committee (NEC) shall issue a call to all Regular and Pending members asking for volunteers to set up an Elections and Resolutions Committee. The NEC shall confirm the composition of the Committee at its regular meeting in April, which shall include at least one member of each bargaining unit represented by the Association. Members of the Elections and Resolutions Committee shall not campaign in support of or against a candidate nor publicly divulge their opinion on a resolution. They shall still be able to exercise their individual right to vote. The Committee shall have the right to revoke the appointment of a Committee member as a result of non-compliance with provisions of these By-Laws pertaining to their responsibilities. Such an action shall require two thirds (2/3) of the votes cast. The NEC replaces the person thus removed with a Regular or Pending member from the same bargaining unit.
- B 3.2. The Elections and Resolutions Committee shall have complete and full jurisdiction over the election process, in accordance with these By-Laws and Constitution. Non-compliance with these By-Laws may result in the nomination of a candidate being revoked by the Committee. Except where otherwise noted in these By-Laws, any decisions made by the Committee shall be the result of a majority vote.

B 3.3. In accordance with these By-Laws the Elections and Resolutions Committee shall create a nomination form and, no later than June 1 in an election year, shall issue a call by regular mail and/or other means of communications for candidates for positions to be filled in accordance with Article 15 of the Constitution. The nomination form shall accompany this notification.

B 3.4 NOMINATIONS

B 3.4. All nominations to the position of Director shall be supported by one Regular or Pending member of the Association. All nominations to the positions of President and Vice-President shall be supported by ten (10) Regular or Pending members of the Association. In each case, nominations shall not be accompanied by more supporting names than the number required. Any supporting name(s) beyond the required number shall be discarded.

B 3.5. On the nomination form, candidates shall clearly indicate the following: position sought, name, home department, bargaining unit and telephone number where they can be reached during regular working hours; and the form must be signed. Anyone supporting the nomination of a candidate pursuant to B 3.4 is required to provide the same information and sign the nomination form.

B 3.6. The nomination form may be provided in print or electronically and accompanied by two pages (8 1/2 x 11) of text using Arial 12 point font or equivalent in which the candidate may provide a biography, his/her reason for running, contact information and a website address. If the candidate does not provide the required documents in both official languages, the Association shall have the presentation document translated. The candidate shall be allowed five (5) working days to review the translation produced by the Association.

B 3.7 (AMENDED APRIL 29, 2022)

B 3.7. Completed nomination forms in any format with verifiable signatures shall be received at the National Office no later than September 1st. The National Office shall forthwith verify the information provided and inform the candidate of any missing information within two business days of having received the form provided it was received in advance of the September 1st deadline.

The Elections and Resolutions Committee shall:

- a) verify that all of the information provided complies with the Constitution and By-laws;
- b) confirm the candidate's eligibility no later than September 15th;
- c) ensure that candidates have signed an attestation that they will observe recognized standards of conduct throughout the election campaign both in verbal and written communications; and
- d) ensure that candidates for the position of President have signed an attestation pursuant to By-law 16.5.

B 3.8 ELECTIONS CALENDAR AND COUNTING OF BALLOTS

B 3.8. After consultation with the candidates, the Elections and Resolutions Committee shall organize one public debate.

B 3.9. Rulings of the Elections and Resolutions Committee may be appealed in respect to:

- e) A decision regarding candidate's material (3.6);
- f) A decision regarding candidate's eligibility (3.7).

Appeals shall be heard by a sub-committee of the NEC, composed of members who are not candidates or nominees in the current election. The sub-committee may invite a representative of the Elections and Resolutions Committee to provide advice. To reverse a decision made by the Elections and Resolutions Committee, the sub-committee shall require a majority of the votes cast.

- B 3.10. The Committee shall establish an elections schedule. The voting period shall end ten (10) working days after the Annual General Meeting. The counting of votes will take place on the eleventh (11th) working day after the Annual General Meeting. Results shall be announced on the twelfth (12th) working day after the Annual General Meeting.
- B 3.11. Once the Committee has certified the results of the vote, candidates shall be informed and the information shall be posted on the Association's website.
- B 3.12. Candidates shall be granted five (5) working days to appeal the results of an election. The Elections and Resolutions Committee shall investigate the complaint and render its decision within ten (10) working days following receipt of the complaint. The Committee may decide to do a recount or to take any other measure deemed appropriate in order ensure the transparency, honesty and integrity of the electoral process.

B 3.13 RESPONSIBILITY FOR THE VOTING PROCESS

- B 3.13. The National Office is responsible for managing the voting process on resolutions that go to the general membership or to the membership of a bargaining unit, including proposals for changes to the Association's Constitution and By-Laws and ratification votes on a tentative agreement at the bargaining table.
- B 3.14. The National Office is responsible for managing the voting process for the election of national and local officers.

B 3.15 GENERAL VOTING PROVISIONS

- B 3.15. Voting, whether for the election of an officer of the Association, for the approval of a resolution or for any other matter, must be organized and carried out in a manner that respects the following values and objectives: fairness, confidentiality, transparency, and independence from the interference of interested parties.
- B 3.16. Members authorized to vote will be entitled to reasonable accommodations if the chosen means for voting proves a barrier to their participation in the voting process.

- B 3.20. The National Office will provide members, on request, with an explanation of how the voting instrument chosen for a vote meets the requirements of By-Law 3.15.

- B 3.21. The National Office will provide the service provider with all information, including membership information, in order to allow the service provider to establish the electronic vote, accept and control online voting, and report on the results of the vote to the Elections and Resolutions Committee.
- B 3.22. Some of the information required:

- B 3.23. The service provider's system will confirm the web site visitor's right to vote, accept their electronic vote, store the electronic vote until closing time of the poll and then report the results to the Elections and Resolutions Committee.

B 3.24 REGULAR MAIL VOTING PROCESS

- B 3.24. As an accommodation measure, should a member request a mail-in ballot, the vote shall be cast using the system of "double envelopes". Only envelopes with a ballot inserted in an internal envelope and accompanied in the external envelope with a completed voter registration card signed by the voting member certifying his or her membership status shall be accepted. Any other envelope shall be considered a rejected envelope.
- B 3.25. Blank ballots or ballots containing more votes than the maximum number of votes possible or any ballot containing a message or inscription other than the vote shall be considered as a spoiled ballot. Ballots containing fewer votes than the maximum number of votes possible shall be considered as valid.
- B 3.26. Only valid ballots shall be used to calculate the percentage of votes cast for each candidate. The Elections and Resolutions Committee will report on the number of spoiled ballots and rejected envelopes.
- B 3.27. Only members of the Elections and Resolutions Committee and designated staff shall be authorized to handle and open the envelopes containing the ballots and then handle the ballots.
- B 3.28. Ballots shall be kept for thirty (30) working days following confirmation of the results by the Committee.

B 3.29 SCRUTINEERS

- B 3.29. It is the responsibility of the candidate to advise the Elections and Resolutions Committee of the name of their one (1) scrutineer, in writing, at least five (5) working days prior to the voting deadline.
- B 3.30. Scrutineers will be provided with a copy of the voting results and a copy of a report from the service provider confirming steps taken to ensure the accuracy of the results.

- B 3.31. Scrutineers appointed for counting of the votes in the case of elections or a resolution shall be reimbursed for their relevant reasonable expenses. Such expenses must receive prior approval from the National Office.

- B 3.35. All resolutions shall be submitted by two (2) Regular or Pending members. Authors of the resolutions shall clearly indicate their name, their home department, bargaining unit and a telephone number where they can be reached during regular working hours, and sign their submission. The resolutions and accompanying remarks shall not exceed a one page (8 1/2 x 11) text using Arial 12 point font or equivalent. The text shall not refer to any list nor mention individuals or locals who are in support of the resolution. If the authors of the resolution do not provide the document in both official languages, the Association shall have the document translated. The authors shall be granted 5 working days to review the translation produced by the Association.
- B 3.36. Resolutions in any text medium format with verifiable signatures shall be received at the National Office. Resolutions must be received ninety (90) days before the AGM. Once resolutions have been received and their admissibility confirmed in consultation with the President, the National Office shall organize a vote concurrent with the elections schedule.
- B 3.37. All resolutions will be reviewed by the Finance Committee for monetary implications.
- B 3.38. If the Finance Committee determines that implementing a resolution will require funds not available in the current budget; it will inform the authors of the resolution and offer them an opportunity to make changes to the resolution before it is sent to the membership. Any changes must be received sixty-five days before the AGM.
- B 3.39. The Finance Committee has the authority to amend any resolution to include a special levy or budget amendment to ensure that the funds are available to implement the resolution.
- B 3.40. Authors of the resolution may delegate one (1) scrutineer to the counting of votes. All other provisions under paragraphs B 3.11 to B 3.36 inclusive shall apply, mutatis mutandis, excluding B 3.14.

B 3.41 ELECTIONS AND RESOLUTIONS COMMITTEE REPORT

The report shall be presented by the Chair of the Elections and Resolutions Committee to the National Executive Committee at its regular meeting in January. The report shall include a summary of the activities lead by the Elections and Resolutions Committee over the election year as well as:

- B 5.4. A complaint in writing shall be received by the National Executive Committee (NEC) within 60 calendar days of the alleged offence having occurred or within 60 calendar days of it having come to the attention of the Complainant(s).
- B 5.5. The complaint shall include:
- a. the Complainant(s)' email address and postal address;
 - b. the alleged offence(s);
 - c. the date(s) when the alleged offence(s) took place and when they have come to the attention of the Complainant(s); and

- B 5.6. Any complaint in writing that is received by the National Office shall immediately be forwarded to the GC for review.
- B 5.7. The GC shall review the Complaint within 20 working days. The Complaint shall be rejected if:
- a. The complaint does not fulfill the requirements of by-law 5.5;
 - b. The matter of the Complaint is being, or has already been, dealt with under an ongoing, or completed, dispute resolution process under this by-law;
 - c. The Complaint is trivial or vexatious, or made in bad faith.
- B 5.8. The GC may contact the Complainant(s) to request information about the Complaint.
- The GC may accept requests made in good faith to amend the Complaint in order to correct mistakes, make editorial changes or add necessary information that does not change the substance of the initial Complaint.
- B 5.9. If the GC rejects the Complaint, the GC sends to the Complainant(s) a notification including:
- a. The rationale for the rejection of the Complaint under by-law 5.7;

- b. The text of by-law 5.10;
- c. The date of the earliest NEC meeting scheduled after, at least, 15 calendar days of the notification.

B 5.10. Within 15 calendar days of the notification sent under by-law 5.9, the Complainant(s) may request in writing (the Request) that the NEC declare the Complaint to be admissible.

Representations made in the Request may only respond to the GC's rationale to reject the Complaint.

Upon receiving the Request, the NEC immediately forwards the following to the Respondent(s) at their last known email or postal addresses:

- a. The Request;
- b. The Complaint;
- c. The GC's notification made under by-law 5.9;
- d. The date of the NEC meeting specified under by-law 5.9; and
- e. The text of by-law 5.11.

B 5.11. Within 5 working days after the NEC notifies the Respondents of the Request under 5.10, the Respondent(s) may make written representations to the NEC, and only to the effect that the Complaint is trivial or vexatious, or made in bad faith.

B 5.12. At the meeting scheduled at the date specified in the notification sent under by-law 5.9, the NEC shall vote (on simple majority) on whether the Complaint should be considered admissible under by-law 5.13.

The NEC shall debate whether a Complaint should be considered admissible under by-law 5.13 in camera.

When debating whether the Complaint should be considered admissible under by-law 5.9, the NEC shall only consider:

- a. The Complaint as presented under by-law 5.4;
- b. The GC's notification for dismissing the Complaint under by-law 5.9;
- c. Written representations made by the Complainant(s) in conformity with by-law 5.9; and
- d. Written representations made by the Respondent(s) in conformity with by-law 5.11.

B 5.13. If the Complaint is considered admissible under by-laws 5.7 or 5.12, the GC notifies the Complainant(s) and forwards the Complaint to the Respondent(s)' last known email or postal addresses.

B 5.14. The GC shall call all parties to attend a mediation session to attempt to settle the dispute.

The mediation session shall take place within 60 calendar days after a notification was sent under by-law 5.13.

The call to attend the mediation session shall include the text of by-law 5.18.

At the request of a party or on their own motion, the GC may omit to call a mediation session with sufficient cause. The GC determines whether cause is sufficient in light of the conduct of the parties, the requirements of procedural fairness, and the policy adopted under bylaw 5.2.

B 5.15. If the Complaint is not resolved after the mediation session held under by-law 5.14, the GC forms a Dispute Resolution Subcommittee (DRS), composed of three CAPE members who are neither involved in the dispute, in a conflict of interests, nor NEC members.

NEC members may sit on the DRS on request from the GC, but only when no other CAPE member is available.

B 5.16. The GC shall set the date of a hearing in front of the DRS. The hearing shall take place within 30 calendar days after the formation of the DRS.

In consultation with the DRS, the GC sets the procedures of the hearing and the presentation of the evidence.

The GC informs the parties of the date of the hearing and its procedures as soon as possible, at least 20 calendar days before the hearing. The GC shall include the text of by-law 5.18.

B 5.17. The hearing is organized by the GC and chaired by a member of the DRS.

B 5.18. If the Complainant(s) refuse or fail to attend a mediation session or a hearing scheduled under by-laws 5.14 or 5.16 without sufficient cause, the Complaint shall be considered withdrawn, the matter settled, and the DRS, if formed, dissolved.

If the Respondent(s) refuse or fail to attend a mediation session or a hearing scheduled under by-laws 5.14 or 5.16 without sufficient cause, the DRS may draw a negative inference against the Respondent(s). Such negative inference may result, depending on the circumstances and the conduct of the parties, in the DRS recommending that more severe penalties be imposed on the Respondent(s) under by-law 5.23.

Cause shall be submitted as soon as possible in writing to the GC and (if formed) the DRS and notified to all parties. In the case of a mediation session, the GC determines whether cause is sufficient in light of the conduct of the parties and the requirements of procedural fairness. In the case of a hearing, the DRS determines whether cause is sufficient in light of the conduct of the parties and the requirements of procedural fairness.

If one of the parties provides sufficient cause not to attend a mediation session or a hearing scheduled under by-laws 5.14 or 5.16, the GC reschedules the mediation session or hearing as early as possible.

B 5.19. Notwithstanding by-laws 5.14 and 5.16, and only after considering:

- a. Each parties' interest in the timely resolution of the dispute;
- b. CAPE's interest in the swift processing of the Complaint;
- c. Whether delaying the mediation session can increase the chance of settlement; and
- d. Whether a party has sufficient cause not to attend a mediation session, in consultation with the DRS (if formed), the GC may exceptionally schedule the mediation session or the hearing after the times prescribed under by-laws 5.14 and 5.16.

B 5.20. The DRS shall report on its findings and make recommendations in writing within 45 calendar days of the hearing. The DRS sends its report to the NEC and the parties. The report shall include the text of by-law 5.22.

The GC may assist the DRS in the drafting of the report.

Recommendations shall primarily aim to resolve the dispute between the parties.

Disciplinary measures may be recommended against any party to the Complaint, including the Complainant(s). These measures may be recommended not only in light of the Complaint, but also of any prejudicial conduct that occurred during the proceedings leading to the report.

The DRS may recommend measures that could prevent similar disputes in the future.

B 5.21. The NEC will vote on the recommendations made by the DRS at the earliest regularly scheduled meeting taking place at least 30 calendar days after the report was sent to the Parties.

B 5.22. A party to the Complaint may respond to the DRS report in writing. The Response shall be sent to the NEC at least 15 calendar days before the report is to be considered by the NEC. The Response will be added as an annex to the DRS report.

The Response may only make representations on one or more of the following matters:

- Whether the DRS failed to consider evidence listed in the Complaint and presented at the hearing;
- Whether the DRS denied a party the opportunity to be heard in contravention with by-law 5;
- Whether one or more recommendations do not rationally result from the evidence and the arguments presented at the hearing, in substance or in severity; and/or
- Whether one or more new and essential facts, discovered in good faith after the DRS hearing, would have substantially affected the deliberations of the DRS should they had been presented at the hearing. Such an argument shall be stricken from the Response unless it includes evidence of the new fact and of the timing of its discovery.

B 5.23. The NEC shall debate the recommendations made by the DRS in camera, taking in consideration any Response made under by-law 5.22.

When considering a Response made under by-law 5.22, the NEC will endeavor to uphold procedural fairness in the complaint process. The DRS is dissolved after the NEC decides upon the complaint.

B 5.24. If the Complaint is against the President of the Association, he/she shall delegate his/her authority related to the Complaint itself and the Complaint process under Article 9 of the Constitution to a member of the NEC who is not a party to the Complaint.

B 5.25. A Local directly affected may request the presence of one of the National Executive Officers at one of their meetings to explain the outcome of the dispute resolution process.

BY-LAW #6 – COMMUNICATION OF ASSOCIATION (ADOPTED JANUARY 22, 2004)

B 6.1. No representative may use the name of the Association or their title as a representative of the Association except with respect to the official business of the Association.

B 6.2. Any statement made by a representative of the Association shall be consistent with the Constitution, By-Laws and policies of the Association.

**BY-LAW #7 – COLLECTIVE BARGAINING

Once at the maximum of the steps, the President will receive only economic adjustments based on the EC collective agreement for that year.
