

I live in Montréal but originally come from the Eastern Townships. I am now a TR-02 in the Translation Bureau, where I was hired in summer 2021. I became a union steward for my division several months ago and am greatly enjoying this experience so far. I would like to be able to take part in NEC meetings and activities to gain a more global understanding of the running of our union and contribute in my own way to representing TR members, particularly those who have been hired recently.
