

**PETER IVES
2023 NOMINEE
EC DIRECTOR
CANADIAN ASSOCIATION OF PROFESSIONAL EMPLOYEES (CAPE)**

Dear CAPE members,

My name is Peter Ives and I am running for EC Director for CAPE in 2023.

EC members need a strong, bilingual, common-sense voice at the table.

I have been proud to be a Director of the CAPE National Executive Committee since 2021. In this short period of time, I have helped to hold CAPE accountable to its members, and advocated for sensible, practical and fiscally responsible decisions for our members. I have also been a strong advocate for a diverse, inclusive CAPE which represents all EC members.

I will continue to be that voice for you and all of our EC colleagues.

I have over 25 years experience in the federal civil service, including my service with the Royal Canadian Navy, working for a Member of Parliament, as well as in various policy advisor and program advisor positions with Public Safety Canada (my current department), Health Canada, Indigenous Services Canada, NAV Canada, the House of Commons and the Library of Parliament.

I have a BA in Geography and History from Carleton University, as well as a Certificate in Internet Marketing from the University of British Columbia. I also attended Laval University for French language training. I am fluently bilingual.

I also served as past Executive Director of the Métis National Council and spent a number of years in the private sector, prior to becoming a member of the federal public service.

I am also a soccer player, manager and coach of soccer and basketball teams in Kanata over the past 15 years. I am a proud husband of my wife, Nicole (who is a scientist with Natural Resources Canada) and a proud father of Paulina, Nick, Annika and Natasha.

Should you ever need to reach me, don't hesitate to contact me directly.

I look forward to serving you!

Peter Ives
