

CAPE Education Schedule - Fall 2026

The education team at CAPE is pleased to announce its upcoming education program for Fall 2026! Sessions are offered from September to December, in both official languages.

Whether you're a member, steward, representative or president, this education program is designed to equip you with the knowledge and skills you need to effectively fulfill your role within our union. Through interactive workshops, discussions and practical exercises, you'll gain insight into the different aspects of union leadership, advocacy and member engagement.

Who can participate:

Most of our courses are open to all members in good standing, however, there are some sessions that are limited to members who have formalized roles or elected positions within their locals.

To enroll, please scan the QR code for each of the sessions.
